

Since its inception in 1998 Basilico has provided its customers with the finest possible Italian pizzas, cooked in traditional wood fired ovens and delivered to their doors. Each pizza is hand thrown and topped and cooked to order. Our dough is made fresh daily, using a unique blend of flours milled in Italy. Our tomato pizza sauce is similarly made to an exclusive formulation. Meat toppings use only top quality Italian hams and salsiccia and our base cheese topping is exclusively 'Fior di Latte' mozzarella. Our objective is to make the best pizza, not the cheapest or fastest; and we hope you will enjoy the result.
